About Revvi

Revvi is a UK brand est 2015, dedicated to creating high-quality electric balance bikes designed specifically for young riders.

Our mission is simple: introduce children to the excitement of riding while developing balance, coordination and confidence in a safe and fun way.

Our bikes are built with lightweight aluminium frames, child-friendly controls and adjustable components so riders can grow with their bikes. Each model is carefully engineered to deliver the perfect balance between performance, control and durability.

WHY CHOOSE REVVI

- Designed specifically for young riders
- Lightweight aluminium frames for easy control
- Adjustable handlebars and seats for growing riders
- Multiple speed settings for different skill levels
- Supported by a full range of spare parts and accessories
- Durable off-road tyres and suspension systems
- High quality motors and long battery range

Choose the right Revvi Bike

Model	Age	Top Speed	Motor	Wheel
Revvi 12"	2-6 yrs	10 mph	100W	12"
Revvi 16"	5 yrs	12 mph	250W	16"
Revvi 16 XL	6+ yrs	16 mph	500W	16"
Revvi 18"	8 12 yrs	20 mph	500W	18"
Revvi 20"	10+ yrs	22 mph	800W	20"
Revvi 20 Plus	10+ yrs	27 mph	1500W	20"
Revvi 24"	12+ yrs	30 mph	1500W	24"

Speeds and specifications may vary depending on riding conditions.
